

If Your Child Has Not Received Any COVID-19 Vaccines...

IRB Approved at
the Study Level
Feb 08, 2024

We are looking for kids who *have not* been vaccinated against COVID-19 to help us simplify the vaccine schedule.

Is your child eligible?

- Between 6 months and 5 years of age
- No previous COVID-19 vaccines

Scan the QR code for more information!

Study Details:

- up to 4 clinic visits over 6 to 9 months
- 1 to 3 doses of the Pfizer COVID-19 vaccine
- Compensation for your time
